Dear Sir:

Pursuant to C.F.R. §§ 1.97 and 1.98, enclosed please find a completed PTO Form 1449 citing references submitted for consideration during examination of the above-referenced patent application.

Pursuant to the provisions of M.P.E.P. §609, Applicants request that a copy of the PTO Form 1449, marked as being considered and initialed by the Examiner, be returned with the next official communication.

Applicants draw the Examiner's attention to applicants' previously filed Information Disclosure Statement filed on March 15, 2005 in which U.S. Patent No. 5,137,961 to Goos et al. was incorrectly listed as U.S. Patent No. 5,137,967. Both the '967 patent (Brown) and the '961 patent involve aqueous polyurethanes. Both the '961 and '967 patents are cited on the enclosed PTO Form 1449.

This Supplemental Information Disclosure Statement is being submitted before the mailing date of a first Office Action on-the-merits. Thus no fee is believed to be due in

connection with this Supplemental Information Disclosure Statement. If any fee is deemed to be due, please charge it to Deposit Account No. 50-0549.

No representation is made that a reference is "prior art" within the meaning of 35 U.S.C. §§ 102 and 103 and Applicants reserve the right, pursuant to 37 C.F.R. § 1.131 or otherwise, to establish that a reference is not "prior art." Applicants do not represent that a reference has been thoroughly reviewed or that any relevance of any portion of a reference is intended.

The Examiner is invited to contact Applicants' Representative at the below-listed telephone number, if any assistance is needed during prosecution of the present application.

Respectfully submitted on behalf of
Shaobing Wu et al.,
